BENNETT'S SECRET

It's no mystery why Bennett's Bar-B-Que meals are so moist, tender
and packed full of flavor. First, our pork ribs, chicken, pulled pork
and beef briskets are basted in Bennett's own special sauce.

Then, they're set over smoldering hickory wood and smoked for up to
14 hours. The heat and sauce penetrate deep into every layer of meat,
turning it a perfect pinkish color while enriching every juicy mouthful
with rich, smoky flavor.

Since everyone likes different amounts of our mouth-waterin' sauce,
we serve it warm on the side so you can pour on as much or as little as
you like. After you've savored the last bite, we hope you'll agree that
all the work we put into preparing your Bar-B-Que was well worth it!

Thanks for coming in!
