Chamber Background

The Gatlinburg Chamber began over 75 years ago. During the late 1930s, businessmen in the community banded together to form the first tourist bureau. In 1940, the newly-organized tourist bureau was chartered by the United States Chamber of Commerce. The Gatlinburg Chamber of Commerce was officially chartered as a nonprofit organization in June 1957.

What is the Gatlinburg Chamber's role?

The Gatlinburg Chamber of Commerce's present role is that of a private, membership-funded business organization that continues to serve the business community through active involvement in citywide issues, the publishing, distribution and management of the community's Gatlinburg Vacation Guide and website Gatlinburg.com for the City of Gatlinburg, and the daily attention to visitor mail, telephone, and internet inquiries. Letter from the President/CEO

You have chosen an exciting time to become a member of the Gatlinburg Chamber of Commerce. Since joining the organization in September of 2016 as the President and CEO one of my key initiatives is for the Chamber to assist in bridging the gap between the business community and our visitors. Our vision over the next few years is to grow the Chamber and for the staff to have a dedication in fulfilling the needs of our members and the community. The Chamber will continue to service our members with increased educational opportunities. In today's fast-paced business environment, it is more important than ever that the chamber staff create an environment in which business can grow. The best way to accomplish this is to become more visible with the business community. Together we can continue to make Gatlinburg a better place to live, work and visit. Thank you for joining us on this journey.

Yours in Service,

Mark Adams
